

LE-JOG 2024 1000 miles

Steve, the manager of Spencer Contact Charity, is taking on this enormous challenge to raise funds in celebration of the charity's 25th birthday. He will be cycling an amazing but arduous 1000 miles from Land's End to John O' Groats.

You can help support this event by donating via the QR code below.

The 1000 mile route

Steve plans to set off from Land's End on a 1000 mile journey to the most northerly point of mainland Scotland. He will be travelling the quieter, scenic (but rather more hilly!) route to avoid major A roads.

**Mayor's
Charity
of the Year
2023/24**

You can encourage Steve on his challenge and donate using the QR code provided. Please give generously and follow social media updates throughout the event.

→ Raising funds for a vital work

For 25 years Spencer Contact has been giving out **free** furniture and household items to those in need within Northamptonshire. Over the last 25 years many have been blessed by the work the charity does and Steve hopes to raise more funds to allow this vital work to continue.

→ Fully supported end to end

We are delighted that well known local firm Steele and Bray, who are Chartered Building Contractors, have agreed to be our main event sponsor. Their commitment to quality and care now extends beyond the construction industry and into the charity sector by providing vital funds for Spencer Contact and subsequently the people of Northampton.
